Experience

Spigen **Dec. 2022 - Current**
Graphic Designer Associate Manager *Irvine, CA*

- Lead creative across Amazon and DTC platforms for multiple product categories, influencing high-volume revenue channels.
- Optimized newsletter visuals and campaign templates, contributing to improvements in CTR, conversion rate, and revenue per session (+12-18% CTR, +6-10% CVR, +$0.20-$0.45 RPS).
- Analyze and track quarterly KPIs to refine design strategy, improving workflow efficiency and output quality (reduced turnaround time by 20%-30%)
- Partner with cross-functional teams (marketing, product, e-commerce) to execute campaigns that drive launch performance and sustained sales growth.

BOS Media Group **Dec. 2020 – Sep. 2022**
UI/UX Designer *Aliso Viejo, CA*

- Created 20+ bespoke websites aligned with client branding and modern UX best practices.
- Conducted competitive analysis and user research to inform UX decisions and visual direction.
- Collaborated with clients and project managers to deliver projects on time, maintaining high client satisfaction and repeat business.
- Led client presentations, clearly communicating design rationale and measurable impact of design decisions.

Santa Monica CityNet **June. 2015 –July 2020**
Administrative Intern *Santa Monica, CA*

- Executed marketing, web, and digital media design for the Community Broadband program, supporting city-wide adoption initiatives.
- Designed and taught a graphic design curriculum, improving student proficiency in Adobe tools and design fundamentals.

Projects

Spigen Newsletter Template | *Spigen* **June 2025**

- Built a modular newsletter system that improved production efficiency (reduced design time by 25-35%).
- Conducted KPI analysis on newsletter performance, optimizing layouts to increase CTR, CTOR, and revenue per send.
- Designed flexible modules supporting product-focused, solution-based, and seasonal campaigns.

Hope Vision Care Website **July 2021**

- Led UX strategy and visual design, resulting in a site that improved user clarity and information accessibility.
- Delivered a fully launched website in collaboration with developers, meeting all client requirements and deadlines.
- Worked with developer in finalizing and publishing their website

Digital Inclusion **Aug. 2019- Mar. 2020**

- Designed marketing materials and educational resources reaching low-income communities across Santa Monica.
- Created presentation decks used by city leadership to communicate program progress and future initiatives.
